When that case of crazy munchies hits, nothing hits the spot quite like a hot tub of popcorn. While Anastasiya Matveeva, Daria Kalugina and Masha Altynbaeva preferred their staple movie snack glazed in caramel, others posted stunning pictures of the classic salted version.

Other foods that got a whole lot of Insta love this week: cereals, to celebrate Cereal Day, avocados (served up this week with everything including toast, ramen and even rice), and as always, dessert. Our favourites this week: Kate Wood's no-churn mocha brownie fudge ice cream, Maja Vase's adorable dessert spoons, and Gregory Doyen's super glossy chocolate-meets-raspberry concoction.

While **Shahid Kapoor sails the sea** with wife and **mom-to-be Mira Kapoor**, and **Sridevi turns her vacation in Georgia** into an impromptu family shoot, **Nimrat Kaur** has been spending her time off becoming one with nature in California and the coastal state of Oregon, USA.

If you haven't been following her, we're filling you in on her travels. Some of Kaur's coolest vacay-moments include running under crashing waterfalls and trekking between towering trees, soaking up on tonnes of vitamin D on sunny days, catching some waves by the peaceful Oregon coast, and watching dreamy sunsets. Sounds like a fantasy? See the pictures to believe it.
